PLACES TO EAT

The bakery on the corner

Coffee, bread and fruit for about $2.

The market

Rice with chicken, beans and plantain for about $5.

There aren't any restaurants inside my building, but there are a lot of places near. Some are cheap and many people eat at the market; I don't have much time.

YESTERDAY AND TOMORROW

YESTERDAY

I finished work and I went to dinner with my family.

TOMORROW

I will have a long day: three clients in David, Bugaba and Boquete.

SAFETY FIRST

EMERGENCY

911

Police, ambulance and fire department.

FIRST-AID KIT

In my car, in a red box

Ask me for the key. If someone is bleeding, apply pressure and call 911.

THREE SIMPLE RULES

- Check the car before a long trip.
